Register of candidates

2024 STATE GENERAL ELECTION

In accordance with section 101 of the Electoral Act 1992, this register includes the information and a summary of the content of any statement, set out in the nomination form of each of the candidates nominated for the 2024 State general election.

All candidates in this register have consented to be nominated for election in the respective electoral district.

If a registered political party appears adjacent to a candidate's name, the party's registered officer has endorsed the candidate.

If no registered political party appears adjacent to a candidate's name, the candidate has been nominated by six or more electors from within the electoral district they are contesting.

Current as at 8/10/2024
